# You will benefit from experienced international coaches & players who are available 24/7

We pride ourselves in giving solid advice  
and assistance to our players throughout  
their career.

Our experienced team are available 24/7  
365 days a year to support your career and  
even what comes after football.

We are here for the long term.

# Here is what we believe your objectives should be over the next 6 to 18 months

These are our provisional recommendations. We would like to gain a deeper understanding of your hopes and aspirations so we can tailor our service to ensure you reach every milestone and career goal.

Steady Sustainable growth allowing you to **explode** onto the world stage.

**YOU MUST EXPECT GREAT  
THINGS OF YOURSELF  
BEFORE YOU CAN DO  
THEM.**

Michael Jordan

**We are here to help  
you stay focused so you  
can go on to **do great things.**  
Here is how we support you:**

## 1. Career & Player Management from Scholarship to Professional

We will take the time to understand who you are, where you are and where you want to be. Then we make sure we get you there and go beyond.

## 2. Player Promotion & Contractual Negotiation

Being an amazing player isn't enough if no one knows. We will put you in front of the best of the best and then make sure we negotiate the best deal for you.

## 3. Mentoring to prepare you for the Pro's

We will guide you and make sure you are pro-ready on and off the pitch with experienced advice from ex players and experienced football coaches.

## 4. Strength & Conditioning and holistic coaching.

We will provide you with strength conditioning from the physical to the mental and make sure you are consistently performing at your best.

## 5. Sponsorship Boot & Kit deal

From the offset we will begin working on getting you your first Boot & Kit sponsorship deal. Let's start as we mean to continue.

## 6. Lifestyle, Concierge & relocation service.

As a part of our family we are always on hand to make sure you have everything you need when you need it so that you remain focused. We are simply a call away.

## 7. Financial Advice

Our Global financial advisors will ensure your money makes money and that your financial future is secure no matter what the weather.

## 8. Property investment.

OC sports management is part of the OC group of companies. This means you have early access to potential property investments to help further secure your financial future.

## 9 Legal Services

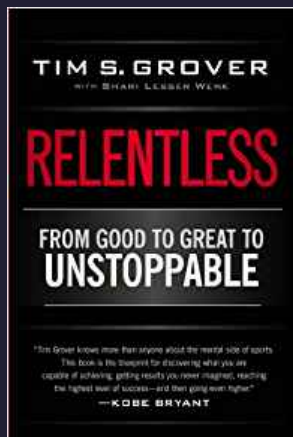

We are always on hand with preventative legal advice to make sure your career runs smoothly with expert legal advice

## 10. Brand & PR program

Our in-house branding marketing team will kick start your personal brand and improve your exposure online and over social media. taking you to influencer status. We will maximise every sponsorship and endorsement deal.

# We work relentlessly to make you a better player.

## Relentless philosophy

We re-enforce every player with the relentless mindset. We make sure our players are unstoppable in their pursuit of sporting greatness.

## Wealth Management

Your on-field performances and potential endorsement deals will generate a considerable income, that has to be properly managed in order to cover for your needs during and after your career.

We have access to one of the safest and most reputable wealth management firms, whose advisors specially dedicated to athletes will provide you with education, guidance and independent advice on how to manage your wealth in order for you to be able to focus on your career, passions and family.

They act as a coach and a business partner, with the end goal of helping you master the sometimes complex financial details of your life as a professional athlete. You will be prepared to make wise decisions and thus maximise your wealth.

"It is not about how much you make, but how much you are able to keep."

maths and English  
tuition

## Private Tuition

Pursuing a career in sports shouldn't mean you lose focus on your education. This is why All our young players benefit from private tuition. We invest in all aspects of your future.

## Ground breaking injury preventing massage from Touch Tunia

Tuina is primarily used to treat specific problems rather than just for relaxation.

Conditions treated include: sports injuries, work-physical and mental stress, frozen shoulder, sprains, neck and back pain, and much more.

Touch tuina clients include premier footballers Martell Taylor-Crossdale, Robin Van Persie Paul Canerville, David Ginola and Lee Williamson, Cyrus Christi. Lynch also works with Football Academies and Premier League youngsters aged 14-20 from Chelsea, Arsenal, Fulham, West Ham and Crystal Palace. Lynch also treats Olympian athletes Perry Shakes Drayton, Marilyn Okoro and Annie Taggoe; ranked British tennis players Zack Philips and Eden Silva; the Derby county FC ladies. He also works with Boxers Samuel Antwi (male) who holds the Southern area England title and managed by Alfie Warren and Ramla Ali (female). UFC Claudio Silva (Brazilian JJ) has also been a patient for many years from the start of his UFC career to date.

## Football Yoga

Yoga is one of the most effective methods to improve flexibility particularly hamstring and lower back flexibility, and to also improve core strength. Yoga for footballers specifically trains flexibility, fascia and functional movement in players. It keeps them moving freely and efficiently. If yoga is practiced for some time it helps players to remain focused and to improve decision making, even under extreme stress and pressure.

## Speed and Sweat

Speed 'N' Sweat, a company that provides professional athletes and individuals alike with bespoke exercise and nutritional regimes that make them perform at peak levels and meet their goals.

We understands the intricacies involved in sports preparation, discipline and more importantly, knows the biological dynamics that separates winning athletes from the pack, with is background In diploma in osteopathy, strength and conditioning. He understands, in unbelievable details, how to manipulate and attend to skeletal and muscular disorders. Armed with this knowledge, he has been able to prescribe the right exercise regimes for injury prone athletes.
